

R.M.K. COLLEGE OF ENGINEERING AND TECHNOLOGY

RSM NAGAR, PUDUVOYAL-601206

MINUTES OF THE MEETING

Date: 09-11-17

The third meeting of IQAC was held on 09-11-17.

The Academic audit was conducted on 04.08.17.

The Report given by the Audit Team about the Academic Audit was discussed in detail.

Dr. M. Cheralathan, Professor of Mechanical engineering, SRM University, Kattankulathur and **Mr. M. Paramanantham**, General Manager of AutoTech Industries, Gummidipoondi, acted as Lead Auditor and Co-Lead Auditor respectively.

The comments on the Institutional good Practices and points for improvement were discussed in the meeting.

As per the report, the Audit Team Recommended for more number of Industry-Institute interaction to disseminate the awareness of the current industrial trends to students. It was also suggested that the Students can be given hands on training in industrial applications based on the opportunities available in the current scenario.

Also the Audit Team suggested that the Institutional Research output can be improved by motivating faculty members to publish more number of papers in reputed journals with high impact factor and also to get funded projects from research funding agencies.

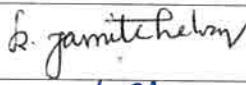

A well planned schedule of academic activities and examination process at institutional level as well as in the departmental level was remarked as a good practice.

The central valuation procedure followed for the internal assessment exam is commented as a good initiative and was appreciated.

A handwritten signature in blue ink, appearing to read 'T. M. Inbamalar'.
