**Discussion on Feedback system of the Institution**

To collect feedback about various cells from students

- 1.Placement cell
- 2.EDC cell
3. Higher Education Cell

**Address by the Principal:**

Principal greeted all the members of the IQAC and appreciated HoDs for encouraging their faculty members to publish quality research publications. He appreciated that R.M.K. College of Engineering and Technology is leading in research publications and it should continue in the next Academic year . He advised to make use of semester holidays for preparing research proposals, patents and funded events. He insisted that IIC plays major role in ARIIA and all the planned activities to be completed as per schedule within the month of August 2023.He suggested that all the hackathon projects done by students should be converted into patents and products with proper follow up. He also appreciated and accepted the suggestion given by Dr.N.Gangatharan, HoD/ECE related to promoting student entrepreneurs every year. He suggested that proper training should be given to selected students interested to become Entrepreneurs. Principal insisted that an excellent training should be planned in the next academic year and the proposal may be submitted to Vice Chairman with trainer details and budget details.
