- ✓ Guvi Geek: Their visionary approach to colloquial learning in various programming platforms and their partnerships with tech giants like TCS and HCL have shown our students the limitless possibilities in the tech world. Learning new technologies and implementing them in real-time has never been more exciting!
- ✓ Yali Mobility: The Director of Yali Mobility shared insights into the ideology of mobility vehicles and their immense importance for the disabled community. This highlights the power of innovation to address pressing societal needs, inspiring our students to think about socially impactful projects.
- ✓ Modulus Housing: The Director of Modulus Housing revealed their game-changing concept of custom-made portable houses built in just 30 days. It's a testament to how innovation can disrupt traditional industries, and it has left our students buzzing with ideas.

ECO - DIRT CLUB:

- The ECO -DIRT Club of Electronics and Communication Engineering conducted **POSTERPRESENTATION CONTEST** on the theme "**GREEN AND SUSTAINABLE ENVIRONMENT**" on **07.11.2023**.

The poster is for the ECO - DIRT Club Poster Presentation Contest. It features the college logo at the top left and the 28 Years of Excellence logo at the top right. The text includes the college name, its status as an autonomous institution, and its affiliations. The contest is organized by the Department of Electronics and Communication Engineering. The theme is "Green and Sustainable Environment" and it is held on 07.11.2023. The objective is for students to design a model, share ideas, or remodel existing ones based on UN 2030 Agenda goals. Participants are students from the 2020, 2021, and 2022 batches. A QR code is provided for uploading posters. The organizing committee lists several faculty members in various roles: Chairperson, Founder-Chairman, Vice Chairman, Secretary, Trustee, Advisor, Principal, and Coordinators. Social media handles for the college are listed at the bottom.
